Education.

Since 1977

THE HISTORY...

In 1977, Clifford E. Ripley, then Palm Beach County Schools' Assistant Superintendent, called together several key administrators from public, private and parochial schools, and proposed the idea of a dinner to recognize outstanding scholastic achievement of high school seniors throughout the county.

"With a winning football team we can fill a stadium with supporters," stated Ripley. "What does the community do for our top scholars?"

The Scholastic Achievement Foundation was born! This committee was able to interest administrators from all of the secondary schools in the county in this recognition concept, and a sponsor was found. Since then the sponsorship has been broadened to include leading high-profile Palm Beach County businesses, Foundations, civic groups and individuals that encourage Excellence in Education.

The recognition took the form of an elegant dinner held in the Venetian Ballroom of the Breakers Hotel in Palm Beach to leave the students with a lasting memory. The number of student representatives from each school is in proportion to the number of graduating seniors at that school. In 2017, 178 students attended. Each student introduces herself/himself and tells of her/his plans for college and the future. In 2017 we were fortunate to have Tiffany Kenney, News Anchor, Channel 25 News as our Mistress of Ceremonies.

The Foundation also began presenting scholarships to students attending the dinner. While they began with only three students each receiving a \$1,000 award, in 2017, that number included eleven students who received a \$1,000 award. In addition, one student received a four-year, full tuition scholarship to Lynn University and one received a four-year, full tuition scholarship to Florida Atlantic University.

To date the achievements of more than 4200 students have been recognized at our dinners with nearly 350 of those students receiving scholarships.

THE FUTURE...

The Scholastic Achievement Foundation dinner tradition has now continued for forty years. Each year the goal is to honor, and reward outstanding scholastic achievement by the best scholars of graduating classes of the public, private and parochial secondary schools in Palm Beach County.

It is the goal of this organization to encourage our graduates to prepare themselves with the highest quality of education. Well-educated and highly motivated young people will enhance the quality of life for each of us.

As we go forward we need your support in these annual ventures:

RECOGNITION DINNER – The Scholastic Achievement Foundation Dinner at The Breakers Hotel will continue to provide a venue whereby students are honored for their achievements with an evening unlike any that they have ever experienced.

SCHOLARSHIPS – the Foundation's goal is to award as many scholarships each year as possible to the many deserving students in attendance. Your contribution will allow more students to continue in their quest for academic excellence.

We invite you to join other leading visionaries by becoming a partner with this organization whose mission is to encourage and fund higher education for the children of Palm Beach County.
